QuickStart

Beginner Level Junior Tennis Program

Scoop-It-Up QuickStart is a beginning tennis program for kids grades K-5. The program gets kids learning tennis right away using shorter court dimensions and specialized equipment.

Parent Volunteers Needed No Experience Necessary!

Site Directors lead the instruction and organize the sessions, but parents are needed on court to help guide the kids thru the activities. Each volunteer will be on court with 4-6 kids. This will give you something fun to do while waiting! Parents who help will be given a t-shirt and many thanks!

Please indicate that you will help when you register online or when you fill out this form and mail it in.

A training session for volunteers will be held prior to the start of the program. You will be contacted with that information. Attendance at the training session is not mandatory, but very helpful! Please call Judy at 288-9643 for more information.

Returning participants and families with 2 or more kids registering: call 288-9643 for discount information.
