Scoop-It-Up Tennis

Beginner Level Junior Tennis Program

Scoop-It-Up is a beginning tennis program combining instruction and team competition. Quickstart is a new play format for learning tennis using shorter court dimensions and specialized equipment. Our program will use a combination of these programs.

Parent Volunteers Needed No Experience Necessary!

The Site Directors will be leading the instruction and organizing the sessions, but parents are needed on court to help guide the kids thru the activities. Each volunteer will be on court with 4-6 kids. This will give you something fun to do while waiting! Parents who help will be given a t-shirt and many thanks!

Please indicate that you will help when you register online or when you fill out this form and mail it in.

A training session for volunteers will be held prior to the start of the program. You will be contacted with that information. Attendance at the training session is not mandatory, but very helpful! Please call Judy at 288-9643 for more information.

Returning participants and families with 2 or more kids registering: call for discount information.

Online registration available at:
